**Happy
Birthday
Cora
from
Poppi & Yaya**

Today's the day you turn a lively five

A sparkling star,
you've come alive!
You laugh and dance
and love to dive,
Into games and stories
that you contrive.

You sing and twirl,
so full of drive,
With dreams so big,
they'll surely thrive

You build your castles
tall and high,
With every block, your
spirits fly.

You're sweet as honey
from the hive.

Your giggles make
the world revive.

A treasure bright,
a heart to strive,

You mke our hearts
feel so alive!

So blow your candles, make a wish,
For birthday magic, fun, and bliss!

And celebrate your birthday high five
