

CORA IS 5!

Today's a day for joy and
cheer,

Because sweet Cora's
birthday's here!

You've danced through
five amazing years,
With giggles, hugs,
and happy tears,

You sparkle bright,
you laugh, you thrive—
So full of love
and so alive!

With every hug and
high-speed dive,
You show us how
it feels to strive.

With every
wish, you help
dreams drive
Right through
the stars—
hooray for five!

So blow your candles, twirl and spin,
Your biggest birthday bash begins!
We're so proud to see you blossom and thrive,
Happy birthday, Cora—high five
